## Locating persons of interest

“  
Recognised experts  
in the field of Locating  
Persons of Interest.  
”

**IDS Group** is a recognised expert in the field of Locating Persons of Interest. **IDS Group's** Intelligence Division comprises a team of in-house licensed investigators assigned to locating individuals. Our investigators have undergone extensive training and hold relevant qualifications.

### Using the most up to date technology to get results

**IDS Group** uses a number of open source databases, subscription databases (only available to our Agency as a licensed firm) and other technical methods and processes to locate individuals.

# Accuracy and **verification** of information obtained is critical.

**Nick Wright**, IDS Group Director and Area Governor -  
Australia, World Investigators Network

Our lawful access to a comprehensive range of Government and open source databases provides **IDS Group** with “the edge”. This combined with our Intelligence Team’s investigation skills and techniques means that clients can rest assured that every legal avenue has been pursued to attempt to locate the subject of their enquiries.

When conducting location enquiries, accuracy and verification of information obtained is critical. **IDS Group** adheres to strict quality assurance guidelines and procedures, which ensures that information gathered is accurate and verified. The results of searches conducted are generally confirmed through a number of separate sources in order to ensure that reasonable and factual based conclusions have been reached.

As we are able to conduct location enquiries anywhere in Australia this allows us to exist as a single source provider for all of our clients’ location enquiries requirements.

## Leading the way in our field of expertise

**IDS Group** is a recognised expert in this area of investigations and regularly delivers presentations and training to Law Enforcement and Government Agencies on 'Investigative Methods & Sources' in respect to locating persons of interest and gathering information. **IDS Group** is a regular guest facilitator to the Queensland Police Service's "Intelligence Training Program". We are training facilitators and so are required to, and do keep up-to-date with the changing dynamics and availability of information and methods involved in gathering information.

All services are completed professionally and in accordance with procedures and processes detailed in our company Quality Assurance Program. **IDS Group** strives to obtain the best outcome for our clients in an efficient, thorough and ethical manner.

**IDS Group** has professional indemnity and public liability insurance which offers protection for our clients.
